ARTICLE IV COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant for each Lot or Dwelling Unit owned within the Property, hereby covenants, and each Owner of any Lot or Dwelling Unit, by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association (1) annual assessments or charges; (2) special assessments for capital improvements, such assessments to be fixed, established, and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on the land, shall be a continuing lien upon the Lot and Dwelling Unit against which each such assessment is made, together with such interest thereon and the cost of collection thereof as hereinafter provided, and shall also be the personal obligation of the person who was the Owner of such Lot and Dwelling Unit at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to

successors in title unless expressly assumed by them. Notwithstanding anything contained herein to the contrary, the obligation shall be joint and several as to the Owner in the event that the Owner constitutes more than one person or entity.

Section 2. Purpose of Assessments: The assessments levied by the Association shall be exclusively for the purpose of implementing the corporate purposes and powers of the Association and promoting the recreation, health, safety and welfare of the residents of the Property, including, but not limited to, the payment of taxes on the Common Area and insurance thereon, as well as repairs, replacements, and additions thereto; and for the costs of labor, equipment, materials, management, and supervision thereof. Specifically the Association is required to establish and maintain an adequate fund for replacement of walls, gate, road and recreation areas.

Section 3. Basis and Maximum of Annual Assessments:

Until January 1 of the year immediately following the conveyance of the first Lot and Dwelling Unit to an Owner, the maximum annual assessment by the Association for all Lots on which a Dwelling Unit has been completed and for which a Certificate of Occupancy has been issued, or any similar governmental approval permitting occupancy of a Dwelling Unit, shall be FOUR HUNDRED TWENTY DOLLARS AND NO/100 DOLLARS (\$420.00) per Lot and Dwelling Unit. The maximum annual assessment by the Association for all other Lots shall be THIRTY AND NO/100 DOLLARS (\$30.00) per Lot.

- (a) From and after January 1 of the year immediately following the conveyance of the first Lot or Dwelling Unit the maximum annual assessment by the Association may not be increased each year more than fifteen percent (15%), cumulative,

above the maximum assessment for the previous year, without a vote of the membership of the Association.

- (b) From and after January 1 of the year immediately following the conveyance of the first Lot or Dwelling Unit to an Owner, the maximum annual assessment may be increased by the Association above fifteen percent (15%) by a vote of two-thirds (2/3) of each class of Members who are voting in person or by proxy, at a meeting duly called for such purpose.
- (c) The Board of Directors of the Association may, after consideration of current maintenance costs and future needs of the Association, fix the annual assessment for any year at a lesser amount than the maximum and may fix the assessment for each calendar year and may increase the maximum assessment by as much as fifteen percent (15%), cumulative, over the maximum amount set for the previous calendar year. If the Directors do not so raise the assessment by fifteen percent (15%) in any one-year, the difference between the fifteen percent (15%) maximum and the actual percentage increase in assessment in any given year may be accumulated and used in subsequent years by the Board of Directors.
- (d) Both annual and special assessments by the Association must be fixed at a uniform rate for all Lots with Dwelling Units and for all Lots without Dwelling Units and may be collected on a monthly, quarterly, or annual basis as evidenced by resolution of the Board of Directors of the Association.
- (e) Notwithstanding any part of the foregoing to the contrary, the Association shall have the right to make special assessments for Lots on a non-uniform basis for

such matters as are specifically set forth in this Declaration, including but not limited to the items set forth in Sections 16, 17, and 19 of Article VII of the Declaration.

- (f) At the first closing of the sale of each Residential Unit, the Purchasers thereof shall pay a ONE Hundred Dollar (\$100.00) fee to the Association, which shall be used by Association to pay for any operating costs.

Section 4. Special Assessments for Capital Improvements.

In addition to the annual assessments authorized by Section 3 hereof, the Association may levy in any assessment year, a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, repair or replacement of a described capital improvement upon the Common Area which is the property of the Association, including the necessary fixtures and personal property related thereto, provided that such assessment shall have the assent of two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days in advance and not more than sixty (60) days in advance of the meeting and shall set forth the purpose of the meeting.

Section 5. Change in Basis and Maximum of Annual Assessments.

Subject to the limitations of Section 3 hereof, and the periods therein specified, the Association may change the maximum and basis of the assessments fixed by Section 3 hereof prospectively for any such period provided that any such change shall have the assent of two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy, at a meeting duly called for that purpose, written notice of which shall be sent to all Members not less than thirty (30) days in

advance and not more than sixty (60) days in advance of the meeting and shall set forth the purpose of the meeting.

Section 6. Quorum for an Action Authorized Under Section 4 and 5.

The quorum required for any action authorized by Sections 4 and 5 hereof shall be as follows: At the first meeting called, as provided in Sections 4 and 5 hereof, the presence at the meeting of Members of the Association, or of proxies, entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in Sections 4 and 5, and the required quorum at any such subsequent meeting shall be one half (1/2) of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessments; Due Dates. The annual assessment for any Lot or any Dwelling Unit (other than any Lots or Dwelling Units owned by the Declarant) shall commence on the day said Lot or Dwelling Unit is conveyed to an Owner. The annual assessment provided for herein shall commence as to all other lots or Dwelling Units on the first day of the month following the conveyance or dedication of the common areas to the Association. The first annual assessments shall be made for the balance of the calendar year and shall become due and payable on the day fixed for commencement. The assessments for any year, after the first year, shall become due and payable on the first day of January of said year. As provided in Section 3, subparagraph (d), the assessments may be collected on a payment schedule set by the Board of Directors of the Association. The amount of the annual assessment which may be levied for the balance remaining in the first year of assessment shall be an amount which bears

the same relationship to the annual assessment provided for in Section 3 hereof as the remaining number of months in that year bears to twelve (12). The due date of any special assessment under Section 4 hereof shall be fixed in the resolution authorizing such assessment.

Section 8. Duties of the Board of Directors. The Board of Directors of the Association shall determine the amount of the assessment against each Lot or Dwelling Unit for each assessment period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the properties and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner. Written notice of the assessment shall thereupon be sent to every Owner subject thereto. The Association shall, upon demand, and for a reasonable charge, furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 9. Effect of Nonpayment of Assessment: The Personal Obligation of the Owner; the Lien; Remedies of Association. If the assessments are not paid on the date when due (being the dates specified in Section 7 hereof), then such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the Lot or Dwelling Unit which shall bind such Lot or Dwelling Unit in the hands of the then Owner, the Owner's heirs, devisees, personal representatives, and assigns. The personal obligation of the then Owner to pay such assessment, however, shall remain the Owner's personal obligation. If the Owner is comprised of more than one (1) person or entity, the elements comprising the Owner shall be jointly and severally liable for the obligation to pay such

assessment. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the due date at the maximum rate of interest permitted by law per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same or to foreclose the lien against the Lot or Dwelling Unit, and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the Court, together with the costs of action. In addition, if any Assessment is not paid within fifteen (15) days after the due date, the Board of Directors may impose a fine.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any institutional first mortgage or mortgages now or hereafter placed upon the Lot or Dwelling Unit subject to assessment; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such property pursuant to a decree of foreclosure, or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment.

Section 11. Exempt Property. The following property subject to this Declaration shall be exempted from the assessments, charge and lien created herein:

- (a) All properties to the extent of any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use.
- (b) All Common Areas as defined in Article II, Section 3 hereof.
- (c) All properties exempted from taxation by the laws of the State of Florida, upon the terms and to the extent of such legal exemption.

Notwithstanding any provisions herein, no land or improvements devoted to dwelling use shall be exempt from said assessments, charges or liens.

Section 12. Effect on Declarant. Notwithstanding any provision to the contrary that may be contained in this Declaration, so long as a Class B Membership in the Association exists, the Declarant shall not be liable for any Assessments for the Lots owned by the Declarant (whether annual, special, individual or general). In lieu thereof, the Declarant shall pay the amount of any deficits incurred by the Association for expenses incurred in excess of the amounts collected as annual Assessments from other Lot Owners. For purposes hereof, the existence or nonexistence of a deficit for the Association for expenses incurred in excess of the amounts collected as annual Assessments from other Lot owners shall be determined on cash basis accounting instead of accrual basis. At such time as Class B Membership in the Association ceases, then the Declarant shall pay annual Assessments but shall not be obligated to pay any other Assessment charged to the Owners of the Lots. When Declarant has sold and conveyed all of its Lots in the Property, Declarant shall not have further liability of any kind to the Association for the payment of any Assessments or for funding any deficits of the Association.

ARTICLE V

EASEMENT RESERVED TO DEVELOPER

Section 1. Easement Over Common Area. For a term of eight (8) years from the date of execution hereof, the Declarant hereby reserves unto itself a perpetual easement over, upon, under, and across all Common Areas shown on the recorded subdivision plat of the Property, together with the right to grant easements to others. Such easement shall include, but shall not be limited to, the right to use the said Common Area to erect, maintain, and use electric and telephone poles,

wires, cables, conduits, sewers, water mains and other suitable equipment for the conveyance and use of electricity, telephone equipment, gas, sewer, water or other public conveniences or utilities; as well as the right to cut any trees, bushes or shrubbery, make any gradings of the soil, and take any other similar action reasonably necessary to provide economical and safe utility installation or to provide for drainage; and the right to maintain reasonable standards of health, safety and appearance and withal to locate wells, pumping stations and tanks; provided, however, that said reservations and rights shall not be considered an obligation of the Declarant to provide or maintain any such utility or services.

Section 2. Easement over Lots. For a term of eight (8) years from the date of execution hereof, the Declarant hereby reserves unto itself the right to grant a perpetual easement to itself or any other entity over that portion of every Lot lying within fifteen (15) feet of the boundary line of such Lot. This right shall remain in the Declarant whether or not any such Lot has been conveyed to another party and regardless of whether this right is stated in the deed of conveyance. The Declarant shall not be entitled to grant easements over any particular Lot in such a manner as to interfere with the reasonable use of said Lot as a residence.

Section 3. Establishment of Easements. All easements, as provided for in the sections 1 & 2, shall be established by one of the following methods, to wit:

- (a) By a specific designation of an easement on the recorded plat of SEDONA Phase I;
- (b) By a reservation or specific statement providing for an easement in the deed of conveyance of a given Lot or Dwelling Unit; or
- (c) By a separate instrument executed by the Declarant referencing this Article V, said instrument to be subsequently recorded by the Declarant.

Section 4. Non-Exclusive Easement Over the Lots for Utilities. The Declarant hereby reserves for itself, its successors, assigns, agents, contractors, perpetual easement for utility purposes to install, operate, maintain, repair and replace electricity and telephone lines and facilities under any Dwelling Unit; provided, however, that any such electricity and/or telephone lines must be installed inside of a conduit.

Section 5. Easement for Encroachments. In the event that, after completion of construction of a Dwelling Unit, any portion of that Dwelling Unit shall encroach upon any portion of Common Areas or upon any other Lot for any reason other than the intentional act of the Owner of the encroaching property, then an easement shall exist to the extent of that encroachment for so long as the encroachment shall exist.

Section 6. Electric Meter and Telephone Box Easement. The Declarant hereby reserves for itself, its successors, assigns, agents, employees, contractors, City of Kissimmee, and Osceola County as non-exclusive, perpetual easement over and upon the exterior(s) of any and all Dwelling Units constructed for the purpose of attaching, installing, operating, maintaining, repairing and replacing electric meters and telephone boxes, cable boxes and such other similar types of facilities as may be now or hereafter commonly used by electric and/or telephone and/or cable companies.

ARTICLE VI

ARCHITECTURAL CONTROL

No building, fence, wall or other structure shall be commenced, erected or maintained upon any Lot, nor shall any exterior addition thereto or change or alteration therein be made unless it is in compliance with the zoning code of Osceola County, Florida, and other applicable and

development regulations, and until the plans and specifications showing the nature, kind, shape, height, materials, and location thereof have been submitted to and approved in writing by the Board of Directors of the Association, or the Architectural Review Committee (ARC).

The ARC shall be composed of at least three (3) Members appointed by the Association. However, so long as any Lots shown on the plat of SEDONA Phase I remain titled in the Declarant, the Declarant shall be entitled to appoint all members of the ARC and any successors members. The Association or Declarant may appoint non-members of the Association to the ARC. The members of the ARC shall be appointed for staggered three (3) year terms, provided, however, the initial members of the ARC appointed by the Declarant shall serve so long as Declarant has the right to appoint all members of the ARC. In the event of death, resignation, inability to serve, or other vacancy in office of any member of the ARC, the Association or Declarant (whichever then has power to appoint) shall promptly appoint a successor member who shall serve for the duration of the un-expired term of the member whom he replaced. The membership, rules of procedure and duties of the ARC shall be prescribed by and, from time to time, changed or modified by the Association.

Any Owner needing the approval of the ARC shall deliver an application or request for action to the ARC by certified mail with return receipt requested or by hand delivery with signed receipt together with a floor plan, elevation, site clearing plan and abbreviated specifications, including exterior material and colors. As soon as reasonably possible, the ARC shall indicate its approval or disapproval of the matters required to be acted upon by them through a written instrument filed with the Secretary of the Board of Directors of the Association, and served personally or by certified mail upon the Owner and all interested parties, identifying the proposed

building or structure and the reasons for such disapproval. The decision of the ARC may be appealed to the Board of Directors of the Association within ten (10) days of the date after which the ARC makes its written decision as provided hereinabove. If there is no appeal within ten (10) days, then the decision of the ARC is final. Said appeal shall be effected by delivering a letter to the Association by certified mail with return receipt requested or by hand delivery with signed receipt, which letter shall specifically identify the decision of the ARC with respect to which the appeal is being taken. The Board of Directors of the Association shall take action on such appeal and either approve or disapprove the decision of the ARC as soon as reasonably possible.

ARTICLE VII

GENERAL RESTRICTIONS

Section 1. General Restrictive Covenants. The general restrictive covenants contained in this Article shall apply uniformly to all Lots and Dwelling Units of SEDONA Phase I unless otherwise set forth herein.

Section 2. Residential Use Only. No Lot shall be used for any purpose except residential. The term "residential" is intended to prohibit any commercial use, including professional office use, of any portion of any Lot or Dwelling Unit. No building shall be erected, altered, placed or permitted to remain on any Lot other than buildings designed for residential use, private garages, accessory buildings and structures such as swimming pools and screened enclosures. The foregoing shall not prohibit the Declarant from using Dwelling Units as model homes or offices permitted in residences.

Section 3. No Temporary Structures. No structure of a temporary nature or character, including, but not limited to, a trailer, house trailer, mobile home, camper, tent, shack, shed, barn,

or other similar structure or vehicle, shall be used or permitted to remain on any Lot as a storage facility or residence, or other living quarters whether temporary or permanent, unless approved by the ARC for use during construction only.

Section 4. Parking Restrictions. No automobile, truck, boat, boat and house, trailer, mobile home, camper, or other similar vehicle shall be parked on the street at any time.

Section 5. Storage Restrictions. No automobile, truck, house trailer, mobile home, camper, boat, boat and trailer, or trailer or other similar vehicle alone shall be parked for any period of time in excess of four (4) consecutive hours or stored or otherwise permitted to remain on any Lot except in a garage attached to a Dwelling Unit or within the confines of a paved driveway leading from the street adjoining a Lot to the doorway of a garage attached to a Dwelling Unit. No automobile, truck or other commercial vehicle which contains lettering or advertising thereon or which is identified with a business or commercial activity shall be parked for any period of time in excess of four (4) consecutive hours or stored or otherwise permitted to remain on any Lot except in a garage attached to a dwelling unit. Garages will only be used for automobiles and cannot be converted into living areas.

Section 6. Livestock and Animal Restrictions. No livestock, poultry, or animals of any kind or size shall be raised, bred, or kept on any Lot or in any Dwelling Unit. However, dogs, cats, or other common domesticated household pets may be raised and kept; provided such pets are not kept, bred, or maintained for any commercial purposes. Such permitted pets shall be kept on the Owner's Lot and shall not be allowed to roam free in the Subdivision Community or on to any other Owner's property. No permitted pet shall be allowed to make noise in a manner or of such volume as to annoy or disturb other Owners. Use of "Pooper Scoopers" is mandatory for dogs.

The Board of Directors may vote for removal of a pet that may be a nuisance to other Unit Owners.

Section 7. Restriction on Activity. No obnoxious or offensive activity shall be conducted or permitted to exist upon any Lot, or in any Dwelling Unit, nor shall anything be done or permitted to exist on any Lot or in any Dwelling Unit that may be or may become an annoyance or private or public nuisance.

Section 8. Restrictions on Hedges. No hedge over six (6) feet tall as measured from existing ground level shall be planted, placed, altered, maintained, or permitted to remain on any Lot unless and until the height, type or location thereof have been approved by the ARC in accordance with Article VI hereof.

Section 9. Sewerage Restrictions. No septic tank, drain field, mobile home storage tank, or other similar container shall be permitted to exist on any Lot.

Section 10. Restriction of Potable Water Wells: For a period of thirty (30) years from the date of this Declaration, no wells for the production of potable water shall be dug or used or be permitted to be dug or used on the Property.

Section 11. Antenna Restrictions: Except for one Satellite reception dish of not greater than eighteen inches (18") in diameter on each Unit, which dish shall not be visible from the street in front of the lot, no one shall be permitted to install or maintain on any Lot or Dwelling Unit any outside television or radio antenna, dish, or other tower for the purpose of audio or visual reception unless the same is approved by the ARC.

Section 12. Aesthetic and Safety Control. In order to implement effective insect, reptile and fire control, the Association shall have the right, but not the duty, to enter upon any Lot or Dwelling Unit, such entry to be made by personnel with tractors or other suitable devices, for the

purpose of mowing, removing, clearing, cutting or pruning underbrush, weeds or other unsightly growth, which in the opinion of the Association detracts from the setting and safety of SEDONA Phase I. Such entrance for the purpose of mowing, cutting, clearing or pruning shall not be deemed a trespass, but shall be deemed a license coupled with an interest. The Association and its agents may likewise enter upon such land to remove any trash which has collected on such Lot or Dwelling Unit without such entrance and removal being deemed a trespass. The provisions in this Section shall not be construed as an obligation on the part of the Association to mow, clear, cut or prune any Lot, nor to provide garbage or trash removal services. The costs incurred by the Association in exercising its rights under this Section shall constitute a special assessment against the owner of the Lot or Dwelling Unit and shall in every respect constitute a lien against said Lot or Dwelling Unit as would any assessment or special assessment.

Section 13. Signs. No commercial signs, including "For Rent," "For Sale" and other similar signs, shall be erected or maintained on any Lot or Dwelling Unit. No sign of any kind shall be permitted to be placed inside a Dwelling Unit or on the outside walls of the Dwelling Unit so as to be visible from the exterior; nor on any Common Area, nor on any dedicated streets, drainage easement area, nor on entryway, nor on or any vehicles within the property except such as are placed by the Declarant or a Builder. Notwithstanding the foregoing, one discreet, professionally prepared "For Sale" or "For Rent" sign not more than 18 inches by 24 inches may be placed on the interior of a window of Dwelling Unit. This restriction shall not apply to the Declarant or its agents for erecting such signs as the Declarant deems in its sole discretion to be necessary to assist Declarant in selling any Lot or Dwelling Unit.

Section 14. Allowable Trim. No Owner or tenant of an Owner shall install shutters,

awnings, or other decorative exterior trim, except small exterior decorations such as address plates and name plates.

Section 15. Lawn and Landscaping Maintenance. The association shall have the right, but not the obligation, to assume and perform any and all functions relating to mowing, irrigating, fertilizing, treating and maintaining the lawns of Lots and Common Areas. And all costs incurred by the Association in performing maintenance under this section shall be paid out of assessments levied by the Association; provided, however, that if an Owner erects a fence or wall on his Lot, then the Association shall not have the obligation for lawn maintenance within said fenced or walled area, nor shall there be any reduction in the maintenance assessments with respect to said Lot or Dwelling Unit. If change to the lawns or landscaping, other than ordinary wear and tear, is caused by the Owner, his agents, guests, or invitees or others whose presence is authorized by the Owner, The Association shall have the right to impose a special assessment against said Owner to pay for such extraordinary costs. Such assessment shall in every respect constitute lien on the Lot or Dwelling Unit as would any other assessment on special assessment by the Association. The Association shall have the right to enter upon any Lot for the purpose of maintenance, as provided in this Section, and any such try by the Association or its agents shall not be deemed a trespass. No fence may be erected without allowing for a gate or gates providing access to adjoining lot or lots.

Section 16. Access at Reasonable Hours. For the sole purpose of performing the lawn and landscaping maintenance, exterior maintenance, when required as set forth above, or any other repairs authorized by this Declaration, the Association, through its duly authorized agents, contractors or employees shall have a license which shall be exercisable after reasonable notice to

the Owner to enter upon any Lot or exterior or interior of any Dwelling Unit at reasonable hours on any day of the week.

Section 17. Insurance on Dwelling Units. Each Owner shall have an affirmative duty to obtain and keep in good standing a hazard insurance policy on the Owner's Dwelling Unit in an amount not less than the replacement value thereof, naming the Association as a coinsured thereunder. Each Owner shall deliver a copy of said policy to the Association on the closing date on which an Owner obtains title to a Dwelling Unit and shall deliver evidence of the continued good standing of said policy annually thereafter. An Owner shall have an affirmative duty to promptly repair a Dwelling Unit damaged by a hazard insured against by said policy.
